

City of Peterborough Media Release

FOR IMMEDIATE RELEASE

November 14, 2017
Peterborough, ON --

Battery Curbside Collection

City of Peterborough residents are invited to participate in another special curbside collection of used household batteries. The collection will occur on residents' regular blue box collection day, during the week of **November 14th through to the 17th, 2017**.

Residents should have received an orange battery-recycling bag on November 3rd inside their Peterborough This Week newspaper. If you did not receive a bag, please use a zip-lock bag.

Residents are asked to place their bag of batteries on top of the blue box used for paper during the week of November 14th to 17th **only**. Ensure the top of the bag is securely closed so batteries don't fall out.

This is a special, one-week collection. Do not put batteries into your blue box, or garbage, at any other time. If you miss this collection, or you live in an apartment, you may take used batteries to the City's Household Hazardous Waste Depot on Pido Road.

For more details, visit www.peterborough.ca/waste or call 705-742-7777, extension 1657 or toll free 1-855-738-3755, extension 1657.
