Peterborough, ON --

Kindergarten Parent Survey

Help your community and be entered for a chance to win a prize!

The Kindergarten Parent Survey (KPS) is currently open to all families with children in Year 1 (JK) or Year 2 (SK) Kindergarten.

The City of Peterborough, along with early years community partners, provide a wide range of high quality services for children and their families. As a result, we want to learn more about the early years experiences of children and families in the City and County of Peterborough. Your answers will help service providers learn about the needs of our local children, as well as understand how to better tailor and strengthen new and existing programs and services in our community. Help us make our neighbourhoods, schools, and communities better places for kids to live, grow, and play.

Upon completing the survey by June 15th, you can enter a draw to win one of twenty \$50 gift cards.

To learn more, or to complete the survey, please visit online at oursurvey.ca/kps. If you would prefer a hard copy of the survey, please contact Caren Thayer at 705-748-8830 ext. 3637 or cthayer@peterborough.ca.

This survey is being conducted by the City of Peterborough, in partnership with the Offord Centre for Child Studies at McMaster University and our local school boards. Be sure to have your voice heard. The experiences that you share will help shape programs and services for young children in the City and County of Peterborough.

This information is also on our [City of Peterborough website](http://www.peterborough.ca) (www.peterborough.ca).
